Cindy Campbell, Chief Operating Officer of AFL Investments, says: "We are hosting this seminar for anyone interested in Canadian investment opportunities. Canadian dollar investments are a logical alternative for any Bermuda residents looking for additional currency diversification. In addition, we felt that the many Canadian expats who reside in Bermuda would be interested in learning more about cross-border investments from their home nation that are available to them here in Bermuda. I am delighted to be welcoming Bill, Ernie and Wayne from Canada to support AFL Investments in delivering this insightful programme for local investors."

The seminars will be held in The Argus Training Centre in the new Argus Building at 14 Wesley Street in Hamilton. Interested individuals can register by emailing rsvp@aflinvestments.bm or calling 294-5715. As space is limited please RSVP by April 29. A light lunch will be provided.
